Section III: Legal, economic, financial and technical information

III.1) **Conditions relating to the contract**

III.1.1) **Deposits and guarantees required:**

III.1.2) **Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them:**

Invoices are to be sent monthly. Another interval may be agreed between the Supplier and the Danish Nature Agency.

The Supplier must provide an electronic invoice to the Danish Nature Agency.

Otherwise, invoicing must be in accordance with the rules laid down in the Public Payments, etc. Act, see Act No 1203 of 27.12.2003 as Amended, see Consolidating Act No 798 of 28.6.2007, and the rules issued on the basis of this Act. All invoicing must be electronic, free of charges and at no cost to the Danish Nature Agency.

With reference to the invitation to tender documentation at: <http://naturstyrelsen.dk/annonceringer/alle-annonceringer/2015/nov/kemiske-analyser-af-grundvand-og-biota-for-naturstyrelsen>

III.1.3) **Legal form to be taken by the group of economic operators to whom the contract is to be awarded:**

Where a tender is submitted by a consortium including multiple responsible tenderers, each legal entity must be specified individually in a clear and unambiguous way and the consortium members must also specify a joint authorised representative with whom the Danish Nature Agency can enter into a contract with binding effect on the consortium. The consortium members have joint and several liability. Where a consortium is awarded the contract, each member of the consortium must submit a written declaration that it is jointly liable for the fulfilment of the contract.

With reference to the invitation to tender documentation at: <http://naturstyrelsen.dk/annonceringer/alle-annonceringer/2015/nov/kemiske-analyser-af-grundvand-og-biota-for-naturstyrelsen>

III.1.4) **Other particular conditions**

The performance of the contract is subject to particular conditions: yes

Description of particular conditions: It will be a contractual requirement that the Supplier and any subcontractors ensure employees wages (including benefits), hours of work and other conditions of labour which are not less favourable than those established for work of the same character in the trade or industry concerned by collective agreement in Denmark concluded by the most representative organisations of employer and employee, and which applies throughout the Danish area 'Contribute to the Fulfilment of the Contract' means work carried out in Denmark in order to fulfil the contract.

The supplier can contact the relevant organization of employer or employee in relation to which the agreement can be considered representative within the subject area.

III.2) **Conditions for participation**

III.2.1) **Personal situation of economic operators, including requirements relating to enrolment on professional or trade registers**

Information and formalities necessary for evaluating if the requirements are met: Tenderers must state clearly and unambiguously in their tenders which legal entity is the tenderer and thereby responsible to the Danish Nature Agency.

Tenderers that have been convicted of 1 or more of the types of criminal offence listed in Article 45 (1) of the Public Procurement Directive, or that are covered by 1 or more of the circumstances listed in Article 45 (2) (a)–(c) of the Procurement Directive, will be excluded from the procurement procedure.

Tenderers must also, in accordance with Consolidation Act No 336 of 13.5.1997 on Restricting Debtors' Options for Participating in Public Procurement Procedures, complete and sign a solemn declaration.
